

THE POSITIVE BUSINESS

# CONVERSATIONS WORTH HAVING STRATEGIC CONVERSATIONS BOOTCAMP

*Foster strategic thinking at every level!*

Better results begin with  
better conversations.

## *What to Expect*

### OUTCOMES

Tools and practices to help your team design group planning conversations that recognize the possibility for change, will propel your organization forward, and surface new ideas.

### FORMAT

Remote or on-site facilitation for groups of 5 - 50, includes the Conversations Worth Having: Strategic Conversations workbook, SOAR Strategy book, and study guide.

### PARTNERSHIP

Kelly Stewart, founder, The Positive Business, teaches a proven framework to help your team discover the potential of positive, strategic conversations.

## LEARNING OBJECTIVES

- Understand the importance of strategic conversations and the role positive framing and generative questions play.
- Clarify the elements of strategic planning and use the SOAR Strategy to frame strategic conversations.
- Understand how to scale strategic conversations to engage all stakeholders in strategic planning.
- Expand capacity for the practical application of SOAR or Quick SOAR (to address frustrating or inefficient workplace challenges.)
